

CPR & First Aid Certification

Description – This workshop will train individuals how to recognize and provide care for airway, breathing and circulation emergencies. Participants learn action steps for choking and airway obstruction on conscious and unconscious victims. Each participant is given an opportunity to practice skills on manikins and apply immediate care given to an injured or suddenly ill person until professionally trained help arrives. **The objectives are:** (1). To learn why do you need CPR?; (2). Learn the steps of CPR; (3). Identify the signs of 4 major cardiovascular emergencies in adults; and (4). Learn how to control bleeding.

Registration Information – Registration can be completed online at: www.mdot.ms.gov/ltap/ or by completing the information below and submitting this form to the LTAP Team via email at ltap@mdot.ms.gov . **Registration is “FREE”.** **Lunch is not provided.** Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact the Mississippi LTAP Center prior to the course date so the appropriate arrangements can be made.

Who Should Attend? Municipals, State DOTs, First Responders, Firemen, Road Crews, Road Managers, Public Works Directors and Employees, Foremen, Highway Superintendents, and others.

Instructor: Mr. Mark Galtelli, Holmes Community College

Time: 8:00 a.m. – 12:00 p.m.
